Winchelsea Beach

Dear Householder,

My name is Patrick Hurrell and I am standing for the vacant position of Parish Councilor for the Ward of Winchelsea Beach.

I have lived on the Beach for almost 5 years and have been familiar with the area for more than 20. My wife Sue and I are genuinely committed to safeguarding the interests of Winchelsea Beach and its many residents.

May I urge you sincerely to read the accompanying leaflet carefully with regard to Winchelsea withdrawing from the current Parish Council set up and going it alone. Sue and I firmly believe that if the proposed separation were to happen it would have very real repercussions for the Beach. The implications are not only financial but would inevitably mean a reduction in Council effectiveness. The more voices there are in unison the better.

I therefore vehemently oppose this proposal and would urge you all to deliver a resounding **NO!**
