Cllr Mrs Merricks welcomed all to the second meeting of the Icklesham Parish Council Working Group.

After a brief discussion and minor amendments the minutes of the meeting held on 11 April, 2006 were approved.

The chairman advised members present that the main business of this meeting was to draft a letter on behalf of IPC to be circulated to the residents of Winchelsea, published in the local press and posted on the parish notice boards.

Cllr S Turner and Cllr Mrs C Merricks tabled suggested draft letters. The working group discussed the content of these letters and it was decided to amalgamate two of them and work them up into a draft to be put before the Parish Council on 24 April.

The draft letter is attached to these notes.

The Chairman thanked the working group for their attendance and closed the meeting. No date was set for the next meeting of the working group.
